

6 BANFF, FRASERBURGH & THE NORTH COAST

This is the Banff & Buchan Area of Aberdeenshire Council. The coastline is one of the areas most distinguishing features. Sheltered open, sandy bays overlook the North Sea. The fishing ports retain their special character. Just inland from the coast, prime agricultural lands roll across the Deveron Valley into the heart of Aberdeenshire.

Most of the cycle routes described in this leaflet have been designed to cater for all ages and abilities and where possible, off-road, family and commuter routes have been selected. Some routes require more effort than others.

The routes in this leaflet show distance, effort required and tourist attractions. Most routes use the quieter roads but may involve short stretches of main 'A' roads to continue the route. Great care should be taken at all times whilst cycling, particularly on these busy stretches of road. Please let large vehicles pass and remember you may encounter forestry operations off-road. Please keep well clear and observe signs and diversions for your safety.

We advise that you also take an O.S map with you. While the routes featured follow quiet roads and key features have been identified, an O.S map will guide you further in the area. LandRanger 1:50,000 No. 29.
